

Fr. Joseph Robinson Guiding Light Series

Focusing on the Word, Cycle B — Cycle B's homilies are a "guiding light" to help us realize Jesus' Messianic greatness and His promise of better things to come. \$10

Feed My Soul, Cycle C — In Fr. Joe's third book of homilies from Cycle C, we are reminded of the charity that Christ intended us to show each other. \$10

Steadfast to the Son, Cycle A — Our heads turn to face Christ as each day presents its challenges to find light. We join together like plants in a field and soak up the Son through the pulpit. \$10

Reflect on the Word, Cycle B — The Word leaves an impression on our souls. In my thoughts and reflections are born a more tangible understanding of these eternal concepts presented in the Gospels and the readings. \$10

Centered In Christ, Cycle C — Fr. Joseph Robinson has dedicated his life to serving Christ and the Church from the Cincinnati Archdiocese in Ohio for over 40 years. He inspires his parishioners with the homilies found in these pages. ... May they be a guiding light for you as they have been for so many others. \$10

Inspired To Be Genuine, Cycle A — Fr. Joe Robinson inspires this appreciation into focus with humor, interesting facts and fresh perspectives. His homilies are easily followed, yet "meaty". \$10

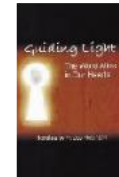

By God Through Me, Cycle B — May these pages, in full or in part, provide a springboard to captivate your flock! May God bless you as a guiding light to all. \$10

Trust and Transform, Cycle C — I would like to reflect on another theme that is central to today's gospel: the idea of "change." He came to change the world, to teach us how to do a better job of loving God and loving one another. \$10

The Soul Who Could, Cycle A — It begins with Jesus feeding a crowd of 5000 people with 5 barley loaves and two fish. ...it must have been spectacular because it's the only miracle (other than the resurrection of Jesus himself) that all four gospels tell us about. ... "I am the bread that comes down from heaven, that a person eat it and never die." (Jn. 6,50) \$10

The Word Alive in Our Hearts, Cycle B — We are like farmers that have to plant the seeds, with water and sunlight and care and let God do the rest. God can use us to help produce fruit for the Kingdom of God. Life involves more than just sitting around. God puts guides in our lives like the farmer that plants seeds for the harvest. Fr. Joe's homilies help open our heart to the Word. \$10

Walk in the Light, Cycle C — One of my favorite psalm verses is: "Your word is a lamp for my steps and a light for my path." (Ps 119, 105) If you have to go somewhere in the dark, it's nice to have a flashlight to help you see where you're going... When we try to make it through life without God's word, we're walking in the dark. \$10

Bread of Life, Cycle A — I am the Bread of Life. *John* 6:35 \$10
