## Mary speaks:

My dear children,

I have appeared now for five years from my image site in Clearwater, Florida. Special graces will be given for all those coming on this anniversary of my five year appearance and praying devoutly. My Son Jesus has appeared here. We call you to come and to pray for the priests, the Church and the world.

A special prayer vigil with procession will begin at 6:20. Other prayers are prayed all through the day beneath Mary's image. The 6:20 prayers have been prayed beneath my image since July 5, 1998 and throughout the world. My Son Jesus wants you to come and to sing praise to your God. He wishes you to come and gather on this day.

Oh my children, I love you so much. There is so much evil in the world. My children my Son Jesus wants you to come and pray.

*I am Mary your Mother*

## Jesus speaks:

Oh My beloved children,

Come to Me. Bring the little ones. Prayers are held daily at 6:20. I want the little ones to come and see the gifts God has given you here. My little ones must pray. You must pray. There will be prayers throughout the days as usual. Have rosary meditation books and rosaries available. Pictures for all who come.

Bring your petitions to Me. I will grant you special graces for your heartfelt prayers.

Oh I love you so much. Please come. Pray - help make reparation to Our Hearts. Have prayer sheets and coloring books available. Morning Offering cards (Say daily). Have videos of the Mass and Nursing home videos available.

Encourage all to pray the prayers, to pray the rosary and to consecrate their hearts.

Have cards "I give my heart to Jesus and Mary available."

This is a special day to heaven. This is a special place. Come and pray for the days before and after also if you wish. The big celebration is December 17, 2001 at 6:20 call for details. I ask you to come to Me. I love you so much. Please pray for your world.
